

Get started with Safe Travels

1. Navigate to the signup page at <https://safe-travels-app.herokuapp.com/signup>
2. For your convenience, we have created an account for you to use:
 - At the bottom right, click Log in.
 - In the email field enter noales@gmail.com
 - In the password field enter cs6440_instructor
 - Click Login

Alternatively, if you like to create your own account:

- Fill in the email, password and name fields in the signup page
 - Click Register. An activation email will be sent to the email you entered
 - Follow the instructions in the email to verify your account and log in
3. You have reached the Plan Trip page:
 - You can select the counties you like to visit (selecting multiple countries is possible)
 - You can choose whether or not you would like to receive email notification about health hazards in the countries you selected
 4. Click Plan My Trip
 5. You have reached the Trip Information page:
 - You can see a recommended packing list by clicking the Packing List icon 
 - You can see a recommended vaccine checklist by clicking the Vaccine Checklist icon 
Since some vaccines have an expiration date, you have an option to add the date you received the vaccine
 - You can see the alerts associated with your destinations by clicking the Alerts icon 
 - You can edit your profile by clicking the Profile icon 
 - You can also go back to Plan Trip page by clicking Change at the top of the page
 6. You are now ready to travel safely!
